I have discussed the subject selection with my son/daughter and am aware of his/her subject choices. I understand that:

All courses are offered in good faith. A student may not get all his/her subject choices. If a course is 'over subscribed', and we do not have the numbers or staffing to form another class, students will be selected, based on their specific aptitude for it. If all else fails, it may well have to be a case of 'first in, first served'. For this reason, these forms will be numbered in order of receipt. Students who do not get into a particular course will be interviewed and placed in another suitable course. Parents will be contacted in this situation.

I am aware that elective subject contributions totalling _____ are due by Monday 1 March 2021. Assistance may be provided to students experiencing financial difficulty. Please feel free to discuss this with Mr Noonan.
